Life-sized/Table Top buffalo forms -

These pieces are auctioned as bidder's choice. This means the highest bidder chooses the piece(s) they would like. The auctioneer then starts the bidding again, and the next piece goes to the highest bidder, who makes their choice. If you are interested in bidding on a specific life-sized or table top piece, you will need to bid high enough to be the first choice bidder for that category. Last year, life-sized pieces ranged in price from \$6,000-\$2,200. Table top artwork ranged in price from \$3,200-\$800. Please make sure you state the artist and name of the piece you are bidding on.

Free Form Artwork -

Free form pieces are each sold individually. Simply fill in the form and specify the artist and name of the piece you are bidding on.
